**Health Science State
Leaders Meeting**

As one of three lead sponsors, NCHSE will be profiled as an outstanding supporter for youth interested in health professions. The recognition within the education community and to HOSA chapters nationwide is immeasurable and serves to make a difference for all. To view the all posters in

the series, [click here](#). The NCHSE/Precision Exams poster focused on [health informatics](#). Any NCHSE board member interested in receiving a poster set; please contact Nancy Allen, nancy.allen@hosa.org.

National Health Science Standards

The Executive Committee met with representatives from Precision Exams in May to review and update assessment items and the Health Science Foundation Standards. The standards were enhanced and renamed National Health Science Standards. Careful review of test items and standards insure alignment of the assessment to curriculum.
